Introduction

This Governing Policies Manual contains the current standing (ongoing) performance standards, values and expectations of the Board of Directors of the National Association of Free and Charitable Clinics (“NAFC”).

1. **Purpose:** This Manual is designed to help the Board approach decisions from the perspective of its own, previously established standards, values and expectations by:
 - A. Elevating efficiency of having all ongoing Board policies in one place.
 - B. Quickly orienting new Board members to current policies.
 - C. Eliminating redundant or conflicting policies.
 - D. Having greater ease of reviewing current policy when considering new issues.
 - E. Providing clear, proactive policies to guide the Executive Director (CEO) and staff, as well as Board officers, members and committees.
2. **Consistency:** The Board will ensure that each policy in this document is consistent with the law, the Articles of Incorporation and the Bylaws, all of which have precedence over these Board policies. Except for time-limited or procedural-only Board decisions (approving minutes, electing officers, etc.), which are recorded in Board meeting minutes, all standing Board policies shall be included or referred to in this document. The CEO is responsible for developing operational and administrative policies and procedures that are consistent with the standards set forth in this Manual.
3. **Transition:** Unless a prior Board resolution or contract obligates the organization with regard to a specific matter, these updated standards supersede previous Board resolutions. If an actual or apparent conflict arises between this Manual and other policies or Board resolutions, the matter shall be brought to the Board’s attention for resolution.
4. **Changes:** The Board will regularly review these policies and, as appropriate, refine them. Proposed revisions may be submitted for Board consideration by any Board member, or by the CEO. Whenever changes are adopted, the updated document should be dated and promptly disseminated to the Board and CEO.
5. **Specificity:** Each new policy will be drafted to fit into the appropriate section of the Manual. For consistency, policies should be drafted starting with the broadest policy statement, then adding specificity down to the level of detail that the Board finds appropriate/necessary for Board action. The Board will afford discretion for implementation (allowing reasonable interpretation) when delegating further decisions to the Board Chair, Board Committees or the CEO.

Policy 2.0 Governance Purpose

Date of adoption / Last revision: May 7, 2015

The purpose of the Board of Directors, on behalf of those with unmet healthcare needs and those who serve them (the “owners”) is to ensure that NAFC:

1. Achieves appropriate results for or on behalf of the “owners” (as specified in Board Ends policies) at an optimal cost and
2. Avoids unacceptable actions and situations.

Policy 2.1 Governing Philosophy and Values

Date of adoption / Last revision: May 7, 2015

The Board will govern lawfully, using Policy Governance®¹ principles, with an emphasis on: (a) integrity and truthfulness in all of its activities and practices, (b) outward vision, (c) encouragement of diversity in viewpoints, (d) strategic leadership more than administrative detail, (e) clear distinction of Board and staff roles, (f) collective decisions, and (g) a focus on the future.

Accordingly:

1. The Board will cultivate a sense of group responsibility. The Board, not the staff, is responsible for Board performance. The Board will lead NAFC by proactively setting clear performance expectations for its own work and for the operating organization.
2. The Board will use its members' expertise to enhance its understanding of issues, but will not simply defer to that expertise as the judgment of the entire Board.
3. The Board will set performance standards and expectations for NAFC through the careful articulation of written policies. The Board's primary focus will be on the achievement of intended long-term impacts for and on behalf of the owners, not on the administrative/operational means of attaining those results.
4. The Board will establish and adhere to its own performance expectations pertaining to matters such as attendance, ethical conduct, meeting preparation and participation, policy-making, respect of roles, speaking to management, the membership and the public with one voice, and continually building the Board's governance capability and reputation.
 - A. Continual Board development will include periodic assessment of its own performance, and orientation of new Board members, upon/before their election in the Board's governance process and these policies.
 - B. Orientation for new Board members will include three primary components:
 - i. Governance process: The Board Chair will ensure provision of training including the governance principles underlying this document, and review of NAFC's Bylaws and these policies, with particular emphasis on the Board Members' Code of Conduct policy.
 - ii. Current strategic issues: The Board Chair and the CEO will provide overview and background information on significant issues being addressed and likely to be decided upon early in new Board member's tenure.
 - iii. Operational overview: The CEO will help new Board members achieve a general understanding of the operating organization (finances, key personnel, key products/programs/services, FAQs, etc.).
5. Although the Board may change these governing policies at any time, it will diligently observe those currently in effect.
6. All on-going policies of the Board are contained in this document, and they remain in effect, unless amended or deleted by Board action.
7. The Board will be accountable to the owners for competent, conscientious and effective fulfillment of its governance obligations. The Board will not allow any officer, Board member, Board Committee or other individual to be an obstacle to this commitment.
8. The Board will regularly evaluate and improve its performance. Self-assessment will compare Board activity and discipline to the standards set forth in these Board Process and Board-Management Delegation policies.
9. The Board's activities will be open and accessible to reasonable scrutiny by the owners, with the exception of personnel or other matters of a sensitive nature.
10. The Board will not allow the organization, in its hiring and other activities, to discriminate on the basis of race, creed, national origin, religion, age, disability, political affiliation, sex, sexual orientation, gender identity or marital, parental or military status.

Date of adoption / Last revision: May 7, 2015

11. The Board is committed to the following values and guiding principles:
 - A. WE BELIEVE access to health care should be a right, not a privilege.
 - B. WE VALUE human dignity, and access to quality, compassionate and culturally competent health care.
 - C. WE VALUE the individuality of our member clinics and other safety net organizations, and their ability to adapt to community needs and resources.
 - D. WE VALUE volunteerism.
 - E. WE VALUE community ownership, service and collaboration.

Policy 2.2 Board Job Products

Date of adoption / Last revision: May 7, 2015

On behalf of those with unmet healthcare needs and those who serve them (“owners”), the Board’s job is to define and ensure appropriate organizational performance. To fulfill this role, the Board takes direct responsibility for three specific job products unique to its trusteeship role and necessary for proper governance and management:

1. **Linkage:** The Board will connect the interests of the owners with operational performance.
 - A. **Needs Assessment:** As it acts on behalf of owners in the governance of NAFC, the Board will assess needs and trends affecting them as they relate to NAFC’s activities and scope of influence, and will develop and maintain Ends policies identifying and prioritizing intended organizational outcomes to address those needs.
 - B. **Advocacy:** The Board will advocate for NAFC, conveying to owners, as feasible, the Association’s achievements on their behalf and of its intended future results.

2. **Performance Standards:** The Board will maintain written performance standards, as set forth in these governing policies, addressing the broadest, and as appropriate, more defined levels all organizational decisions and situations.
 - A. **Ends:** Strategic results priorities describing intended organizational impacts, benefits, outcomes, recipients and their relative worth (what results, for which recipients, at what cost/priority).
 - B. **Management Parameters:** Constraints on executive authority defining the boundaries of prudence and ethics within which all management activity and decisions must take place.
 - C. **Board Process:** Specification of how the Board defines, carries out and assesses its own work.
 - D. **Board-Management Delegation:** How the Board delegates authority to management, and ensures its proper use; the CEO role, authority and accountability.

3. **Assurance of Organizational Performance:** The Board will ensure Ends fulfillment, financial solvency and organizational integrity by holding itself accountable for effective governance as defined in these policies, and holding the CEO accountable for successful achievement of Ends and adherence to Management Parameters.

In addition, the Board maintains direct responsibility for:

4. Pursuant to the Bylaws, determinations regarding classes of membership and their respective dues structure.
5. Determinations regarding NAFC’s Public Policy Agenda (positions on/endorsements of public policy, regulatory and legislative issues) upon which staff advocacy initiatives are to be based, as appropriate in serving the interests of those with unmet healthcare needs and those who serve them.
6. Decisions outside the boundaries of authority delegated to the CEO (as proscribed in *Management Parameters* policies).
7. Decisions pertaining to initiating legal action.

Policy 2.3 Board Work Plan and Agenda Preparation

Date of adoption / Last revision: May 7, 2015

To fulfill its role, the Board will prepare and follow an annual work plan that: (1) re-explores Ends policies and (2) continually improves Board performance through Board education, and interactions with staff, customers, members, beneficiaries, and outside experts.

Accordingly:

1. **Annual Cycle:** The Board's annual planning cycle will conclude each year by October 30th, so that administrative planning and budgeting for the next fiscal year can be focused on addressing both long and short-term Ends.
2. **Work Plan Development:** The cycle will start at the Board meeting held in conjunction with the Summit each October, when the Board will begin developing its work plan for the next year. At that time, the Chair will prepare and present for the Board's consideration and approval a suggested work plan for the following year's meetings. Considerations should include:
 - A. **Board Education:** Identification of topics that will elevate the Board's understanding, primarily of external issues and trends that impact Ends, and to a lesser extent key areas of operations.
 - B. **Orientation/Training for New Board Members:** Per policy 2.1.4, to include review of NAFC's governance system and documents, overview of key strategic issues to be addressed early in new Board members' tenure, and an operational overview.
 - C. **Ownership/Membership Linkage:** How the Board will connect with segments of the ownership (e.g. through surveys, focus groups, and other methods of gaining relevant input) in the coming year.
 - D. **Policy Review:** How the Board will systematically review its policies, with emphasis on Ends on a periodic basis (e.g., by priority, by topic, or by an emphasis of the Board's choosing).
 - E. **Assessment/Evaluation of CEO Performance:** Reviewing the schedule of planned monitoring activities to assure performance on Ends and Management Parameters policies.
 - F. **Self-Assessment:** Methods and timeline for periodic evaluation of how well the Board is fulfilling its role (i.e., in accordance with its Board Process and Board-Management Delegation policies) and open discussion of how the Board's performance can be improved.
 - G. **Meeting Schedule:** Establishment of the meeting schedule for the coming year to maximize Board member attendance and participation.
 - H. **Social Engagement:** To build its effectiveness as a leadership team, the Board will schedule periodic social activities.
3. **Meeting Agendas:** The Chair will determine the agenda for any particular meeting, although Board members and the CEO may request or recommend any appropriate matters for Board consideration.
 - A. A Board member or the CEO may recommend or request a matter for Board discussion by submitting the item to the Chair at least ten days prior to the regularly scheduled Board meeting.
 - B. To ensure Board member preparation and informed participation, meeting agendas and packets (background materials for decision items on the agenda, monitoring reports, etc.) are to be received by Board members at least seven days prior to the scheduled Board meeting.
 - C. By an affirmative vote of a majority of those present, additional matters may be added to the agenda of any regular Board meeting.
4. **Consent Agenda:** "Required Approvals" will appear on a Consent Agenda, in which one motion can address those items delegated to the CEO yet required by law or third party to be Board-approved.
 - A. To use Board meeting time as efficiently as possible, the CEO is expected to provide substantiation that all Consent Agenda items comply with relevant Board policies.
 - B. Items may be removed from Consent Agenda for discussion upon majority vote of the Board.

Policy 2.3 Board Work Plan and Agenda Preparation, continued

Date of adoption / Last revision: May 7, 2015

5. **Executive Director Monitoring:** The Board will act on the CEO's monitoring reports received prior to each meeting, determining by majority vote whether the respective report:
 - A. Conveys a reasonable interpretation of the respective policy.
 - B. Provides reasonable substantiation of compliance with the policy, as interpreted.
6. **CEO Annual Compensation Review:** Each year at the October meeting, the Board will summarize and review its judgments of monitoring activities (monitoring reports, audits, etc.) received during the last year and will determine any adjustments to the Executive Director's compensation and benefits, to be effective January 1st.

Policy 2.4 Board Chair's Role and Authority

Date of adoption / Last revision: May 7, 2015

As NAFC's chief governance officer, the Chair's primary role is to ensure the integrity of the Board's process, and secondarily to represent the Board to outside parties.

Accordingly:

1. The Chair's job is to ensure that the Board acts in a manner consistent with its policies and any requirements legitimately imposed upon it from outside the organization.
 - A. Agenda content will include only those issues that clearly (according to Board policy) belong to the Board to decide, consider, or monitor, or to otherwise educate the Board for informed fulfillment of its responsibilities.
 - B. Deliberation will be fair, open, thorough, timely, orderly, and kept to the point.
2. The Chair will lead and participate in the Board's assessment of its own performance.
 - A. Criteria for assessment will be the Board's adherence to its Board Process and Board-Management Delegation policies.
 - B. The Board will self-assess its overall performance no less frequently than once per year.
 - C. The Board will ensure that there is at least a brief assessment of each face-to-face meeting prior to adjournment, identifying factors that enhanced its productivity, as well as those that would have made the meeting more successful.
3. The Chair is authorized to make decisions consistent with the Board Process and Board-Management Delegation policies, with the exception of (a) employment/termination of the CEO, or (b) decisions pertaining to matters about which the Board has delegated specific authority to others. The Chair may use any reasonable interpretation of these policies.
 - A. The Chair is empowered to preside at Board meetings with the commonly accepted power of that position, such as ruling and recognizing.
 - B. The Chair has no authority to make decisions within the Board's Ends and Management Parameters policy areas. Therefore, as the CEO is accountable to the Board as a whole, the Chair does not have authority to supervise or direct the CEO.
 - C. The Chair may represent the Board to outside parties in announcing Board-stated positions, and in stating decisions and interpretations within the area delegated to him or her.
 - i. The Chair may delegate this authority but remains accountable for its use.
 - D. Except where specified otherwise in Bylaws or Board Policies, the Chair may appoint Board members, or others, as appropriate, to serve on Board Committees.

Policy 2.5 Board Members' Code of Conduct

Date of adoption / Last revision: May 7, 2015

The Board expects of itself and its members ethical, professional and lawful conduct, including proper use of authority and appropriate decorum when acting as Board members.

Accordingly:

1. **Duty of Care:** Board members are to discharge their duties honestly and in good faith. Board members shall exercise the degree of care, diligence and skill that a reasonably prudent person would exercise in similar circumstances.
2. **Duty of Obedience:** Board members must abide by NAFC's governing documents (i.e. Articles of Incorporation, Bylaws and these Governing Policies). While vigorous debate is expected and encouraged, Board members are obliged to support the legitimacy and authority of the final determination of the Board on any matter, irrespective of the member's personal position on the issue.
3. **Duty of Loyalty:** Board members must demonstrate loyalty to the interests of the NAFC and its "owners" (those with unmet healthcare needs and those who serve them, superseding any conflicting loyalties such as that to singular segments of the ownership, family members, advocacy or interest groups, staff, other organizations, or any personal interests as a consumer of NAFC's services. Board members may not use any information provided by the Association or acquired as a consequence of the Board member's service to the Association in any manner other than in furtherance of his or her Board duties.
4. Board members must avoid any conflict of interest with respect to their fiduciary responsibility.
 - A. There must be no self-dealing, or procurement by NAFC of any Board member's business or personal services except as procedurally controlled to assure openness, competitive opportunity and equal access to inside information.
 - B. When the Board is to decide an issue about which a member has an actual or potential conflict of interest, that member shall disclose the conflict to the Board and absent herself or himself without comment from not only the vote, but also from the deliberation.
 - i. A conflicting interest exists when a Board member or a related party has a beneficial financial interest in the transaction of sufficient significance that it would reasonably be expected to exert an influence on that Board member's judgment if he or she were called upon to vote on the matter. Related parties include the Board member's spouse/significant other, parents, children, siblings, siblings of the parent or spouse, and all other persons or entities in which the Director has an interest, partner, agent, or employee, or exerts control or influence, either directly or indirectly.
 - ii. In case of a dispute regarding the existence of a real or perceived conflict of interest, the Board shall consider whether a conflict is present, and the vote of the disinterested members of the Board shall be final. The individual with the potential conflict of interest shall not vote.
 - iii. Board members must not exert undue influence to obtain staff employment for themselves, family members or other individuals. Should a Board member apply for staff employment, he or she must first resign from the Board.
5. Board members must not attempt to exercise individual authority over the organization.
 - A. Board members' interactions with the CEO or with staff must recognize the lack of authority vested in individuals except when explicitly stipulated by the Board.
 - B. Board members' interaction with the media, public or other entities must recognize that Board members are not to speak for the CEO or for the Board, except to repeat explicitly stated Board decisions.
 - C. Board members will not publicly express individual judgments of the performance of the CEO or of other employees, other than when participating in the Board's monitoring functions.
6. Board members will treat one another, staff members, and all other NAFC constituents with respect, civility and transparency.
7. Board members must respect the confidentiality appropriate to issues of a sensitive nature. Such confidentiality is to be maintained after conclusion of a Board member's term.

Policy 2.5 Board Members' Code of Conduct, continued

Date of adoption / Last revision: May 7, 2015

8. All Board members are required to, upon election and annually thereafter, complete and submit to the Secretary of the corporation a written statement affirming they have received, reviewed and understand these Governing Policies, with particular reference to this Board Members' Code of Conduct policy, and its *Conflict of Interest* provisions. Board members shall disclose their involvements and interests that could give rise to a conflict of interest including, but not limited to their involvement or those of family members, as directors or officers of other organizations with vendors or other affiliations with other entities that might reasonably be perceived as a conflict. Board members will promptly update their disclosures if, during the year, a material change in circumstances should occur.
9. A Board member aware of credible information that suggests that a Board policy has been violated, by the Board, a Board member or the CEO, has an affirmative obligation to bring the concern to the Board Chair. If the Chair is the subject of the concern, it should be brought to the Vice-Chair.
10. If a Board member is alleged to have violated this Code of Conduct:
 - A. The Chair (or Vice-Chair, if the Chair is the subject of the concern) will have an informal discussion with the individual whose action(s) are questioned. If this is not successful in resolving the concern, then:
 - B. The Chair will put the issue on the agenda for closed session. The respondent Board member will be allowed to present his or her views prior to the Board determining whether or not the action violated this Code of Conduct.
 - C. A Board Member found by the Board (by majority vote) to have violated this Code of Conduct may be subject to subsequent censure or other Board action, as long as consistent with the Bylaws and applicable statutes.

Policy 2.6 Board Members' Individual Responsibilities

Date of adoption / Last revision: May 7, 2015

Board member engagement and participation is integral to the Board's leadership success. Therefore, each Board member is expected to fulfill the following responsibilities:

1. **Commitment:** Board members are expected to, upon appointment to the Board and annually, sign a Letter of Commitment indicating that they have reviewed and commit to abide by NAFC's Bylaws and these Governing Policies, including *Code of Conduct* and *Conflict of Interest* provisions, as may be amended from time to time.
2. **Attendance:** Board members are expected to attend Board meetings on a regular and punctual basis. Absence from more than one-third (33.3%) of the Board's regularly scheduled meetings in any calendar year will constitute that member's resignation from the Board.
 - A. In case of extenuating circumstances, a Board member subject to removal may request a waiver to this provision. Waivers may be granted only by vote of the Board.
3. **Preparation and Participation:** Board members are expected to review agenda materials in advance of Board and committee meetings and to participate productively in discussions.
4. **Ambassadorship:** Board members are expected to be alert to member and constituent concerns that can be addressed through NAFC's mission and Ends, to help communicate and promote NAFC to members, prospective members and other constituents, and to support NAFC's public policy agenda.
5. **Responsiveness:** Board members are expected to be attentive to Board communications and respond promptly to staff and Board member requests for feedback or assistance.
6. **Members as Individuals:** The CEO is accountable to the Board as a whole and not to individual Board members. Therefore, the relationship between the CEO and individual members of the Board, including the Chair, is collegial and not hierarchical.
7. **Volunteerism:** Board members may volunteer as individuals in operational capacities. In such situations, they are subject to the direct supervision of the CEO or responsible staff person.
8. **Members in Good Standing:** Board members are expected to ensure their NAFC membership, as applicable, (or that of the entity for which they serve as officer, director, employee, or owner) remains in good standing.
9. **Professional Standing:** A board member who has professional or personal circumstances that jeopardize the reputation of the NAFC will put the interests of NAFC ahead of their own, and offer to take a leave of absence, or resignation, as may be appropriate due to the circumstances.
10. **Contributions:** Each Board member is expected and required to make an annual personal financial contribution as a tangible demonstration of their commitment to the organization. Board members are expected to contribute at a level that is personally meaningful, and to ask others to join them in contributing to NAFC.
11. **Participation in Organizational Activities:**
 - A. In addition to Board meetings, Board members are expected to:
 - i. Attend the annual Summit.
 - ii. Serve on at least one Board Committee.
 - B. Board members are also encouraged to:
 - i. Attend at least one C.A.R.E. Clinic.

Policy 2.7 Board Committee Principles

Date of adoption / Last revision: May 7, 2015

The Board may establish Board committees to help it be more effective and/or efficient in its work. Board committees are not to interfere with the Board's delegation of authority to the CEO, or the CEO's to other staff.

Accordingly:

1. Board committees are established to help the Board do its job, not to help, advise or exercise authority over staff.
2. Board committees will ordinarily undertake activities not delegated to the CEO, such as by preparing policy alternatives and implications for Board consideration, or performing specific monitoring functions.
3. Board committees may only speak or act for the Board when formally given such authority for specific and/or time-limited purposes. The Board will carefully state expectations for and authority of each committee (in the *Board Committee Structure* policy) in order not to conflict with authority delegated to the CEO.
4. As the CEO works for the full Board, he or she will not be required to seek approval of a Board committee before an executive action.
5. The number and purpose of Board committees is to be evaluated annually to assure continuity and relevance.
6. This policy applies to any group formed by Board action, whether or not it is called a committee and regardless of whether it includes Board members. This policy does not apply to ("operating") committees formed under the authority of the CEO.

Policy 2.9 Board Size, Nomination, Election and Term Limits

Date of adoption / Last revision: May 7, 2015

The Board aims to maintain a size of twelve (12) members. The Nominating Committee will properly screen and nominate a slate of individuals to fill Board vacancies, and, for Board consideration, a slate of officers (Board Chair, Vice-Chair, Secretary and Treasurer—as stipulated in the Bylaws)

1. The Nominating Committee (“the Committee”) will be comprised of four (4) members to be elected annually by the Board at its January/February meeting. The Immediate Past Chair, if still serving as a voting director, shall be one of the Committee members, and shall serve as its chairperson.

3. In June, the Committee will issue a Call for Nominations to the membership, Board members and key organizational allies/constituents considered to be potentially helpful resources in identifying candidates with targeted attributes. An application form shall be provided to interested candidates, accompanied by information outlining the expectations and responsibilities of Board members as outlined in these governing policies. The deadline for nominations shall be no less than six weeks after the Call for Nominations is posted.

Upon initial screening of nominating form/application, the Committee will identify and arrange telephone interviews (or face-to-face, if geographically feasible) with potential nominees, prior to which they are to be provided summary documents re: role of Board of Directors and expectations of individual participation. At least two Committee members meet with/interview each potential nominee.
5. If candidacy deemed worthy of advancing, the Committee will arrange for potential nominees to meet with the CEO, via telephone or otherwise, providing opportunity for greater familiarization with NAFC, and for the CEO to offer impressions to Nominating Committee.
6. Prior to recommendation to the Board, proposed nominees are to be provided NAFC’s Bylaws, Governing Policies Manual, and an overview of NAFC’s programs, plans and finances. Candidates must acknowledge in writing their understanding of the expectations and responsibilities of NAFC Board members (see Board Members’ Individual Responsibilities policy), and shall be strongly encouraged to attend the annual Conference in October.
7. At the Board’s October meeting, the Board shall act on the Nominating Committee’s recommendations for new Board members:
 - A. The Board shall approve or disapprove the Nominating Committee’s nominations for Board members from the clinic membership category as a single slate. Should the slate not be approved, nominations for the respective positions will be opened to the floor of that Board meeting. The Board may recommend to the clinic membership, at its discretion, a slate with up to two candidates per vacancy.
 - B. By November 1st of each year, a ballot with approved candidates listed, and a write-in option, shall be sent electronically to each voting member, and members will be asked to vote (electronically) to fill any open Board positions within fourteen (14) days.). If more candidates are listed on the ballot than there are vacancies, those with the highest number of votes shall be elected.
 - C. As applicable based on Board size and terms, the Board shall also approve or disapprove the Nominating Committee’s nominations for Board members not from the clinic membership category as a single slate. Should the slate not be approved, nominations for the respective positions will be opened to the floor of that Board meeting.

Policy 2.9 Board Size, Nomination, Election and Term Limits, continued

8. At the December Board meeting, the Nominating Committee shall recommend to the Board a proposed slate of officers (Chair, Vice-Chair, Secretary and Treasurer). Nominations for officer positions should be predicated on the Committee's judgment of the individual's capabilities vis-a-vis the respective office (i.e. the Treasurer's role as Chair of the Audit Committee, and the ability/willingness of prospective Chair and Vice-Chair candidates to fulfill expectations articulated in the Board Chair's Role and Authority policy (2.4).
 - A. Should the slate not be approved, nominations for the respective positions will be opened to the floor of that Board meeting.
 - B. Those elected shall take office at the first meeting of the calendar year.
9. Board members shall serve no more than three (3) consecutive three (3) year terms. The only exception to this policy is the Immediate Past Chair whose term may be extended for one year if having served as Chair in the final year within this term limit. Board members who serve three (3) consecutive three (3) year terms may be nominated for Board membership again after spending a minimum of one year(s) as a non-member of the Board.
10. The Board recognizes the value of both continuity and of fresh perspective. Re-nomination/nomination of Board members will thus be based upon such factors including a prospective Board member's personal knowledge, skills, demonstrated leadership and commitment to the Association, professional relationships, professional associations, commitment to support and participate in the Board's established governing structure, and, for existing Board members, fulfillment of individual Board members' responsibilities. As the Association's needs may change over time, it is expected that the Nominating Committee may find it necessary or beneficial to replace at least some members whose current terms are expiring with individuals who may better satisfy such needs. Accordingly, no member should expect to be re-elected.

Policy 2.11 Investment Policy

Date of adoption / Last revision: _____

This statement of investment policy is set forth by the Finance Committee of The National Association of Free & Charitable Clinics, Inc. (NAFC) in order to:

1. Define and assign the responsibilities of all involved parties.
2. Establish a clear understanding for all involved parties of the investment goals and objectives of the NAFC's assets.
3. Offer guidance and limitations to all Investment Managers regarding the investment of the Fund's assets.
4. Establish a basis for evaluating investment results.
5. Manage the Fund's assets according to prudent standards as established in common trust law.
6. Establish the relevant investment horizon for which the assets will be managed.

Time Horizon

The investment guidelines are based upon a long term investment therefore interim fluctuations should be viewed with appropriate perspective.

Risk Tolerances

NAFC recognizes and acknowledges some risk must be assumed in order to achieve long-term investment objectives, and there are uncertainties and complexities associated with contemporary investment markets.

In establishing the risk tolerances for this IPS, NAFC's ability to withstand short and intermediate term variability was considered. NAFC's prospects for the future, current financial condition and several other factors suggest collectively some interim fluctuations in market value and rates of return may be tolerated in order to achieve the longer-term objectives.

Asset Allocation:

Short-term Horizon

100% Fixed Income and Cash

These funds, which are identified as the 6 month operating expense reserve will be invested in money markets and if, appropriate low risk Treasury bill Funds. These funds will be more liquid and provide the NAFC with the ability to call upon for operational requirements if and when needed.

Medium-term Horizon

80-100% Fixed Income, 0-20% Equity & Cash

These funds will be designed to generate moderate returns on principal while keeping the exposure to risk relatively low. Investments will include medium-term bonds, mutual funds, equity funds and individual stocks.

Long-term Horizon

40-70% Equity, 30-60% Fixed Income & Cash

This fund will be geared towards growing principal while continuing to generate current returns. This portfolio will have increased volatility over the short and medium term portfolios but will likely provide higher returns and provide potential for growth of principal.

DUTIES AND RESPONSIBILITIES:

Financial Advisor

NAFC has retained an objective, third-party Financial Advisor to assist NAFC in managing the investments. The Advisor will be responsible for guiding NAFC through a disciplined and rigorous investment process. The primary responsibilities of the Financial Advisor to NAFC are:

Policy 2.11 Investment Policy

Finance Committee/Board of Directors

Policy 4.0 Board-Management Connection

Date of adoption / Last revision: May 7, 2015

Board/Management Delegation

Board/Management Delegation

Policy 4.1 Unity of Control

Date of adoption / Last revision: May 7, 2015

The Board of Directors acts with one voice in establishing expectations of the CEO.

Accordingly:

1. No Board member, officer or committee has authority over the CEO, or any member of the CEO's staff, except in rare instances when the person or committee has been explicitly authorized to direct or use staff resources for a specific issue.
2. Board members or committees may request information, but if such request--in the CEO's judgment--requires a material amount of staff time or funds or is disruptive, it may be declined. The committee or Board member may then refer the request to the full Board for consideration.

Board/Management Delegation

Policy 4.2 Accountability of the CEO

Date of adoption / Last revision: May 7, 2015

All Board authority delegated to management is delegated through the CEO, Therefore, the authority and accountability of staff, as far as the Board is concerned, is considered to be the authority and accountability of the CEO.

Accordingly:

1. The Board will not give instructions to any staff other than the CEO.
2. The Board will not evaluate, either formally or informally, any staff other than the CEO.
3. The Board will consider and evaluate CEO performance as synonymous with organizational achievement of Ends and compliance with Management Parameters. No performance measure established by the Board or by sub-sets of the Board shall conflict with or modify this measure of performance
4. Consequently, the CEO's accountability and evaluation will be based on performance in two areas:
 - A. Organizational achievement of the Board's Ends policies.
 - B. Organizational operations within the parameters of legality, prudence and ethics established in the Board's Management Parameters policies.

Board/Management Delegation

Policy 4.3 Delegation to the CEO

Date of adoption / Last revision: May 7, 2015

The Board will direct the CEO through written policies setting forth the organizational Ends to be achieved and organizational situations/actions to be avoided, allowing the CEO to use any reasonable interpretation of these policies.

Accordingly:

1. Ends policies direct the CEO to achieve certain results, for certain recipients at a specified worth or priority. These policies will be systematically developed from the broadest, most general level, to more defined levels.
2. Management Parameters policies define the boundaries of legality, prudence and ethics within which the CEO is to operate. These policies describe the practices, activities, decisions and circumstances that would be unacceptable to the Board, even if effective in producing the desired results. Management Parameters will also be systematically developed from the broadest, most general level to more defined levels. To ensure accountability for performance, the Board will not prescribe organizational means delegated to the CEO.
3. An Ends or Management Parameters policy at a given level does not limit the scope of any preceding level.
4. The CEO is authorized to establish further policies, make decisions, take actions, establish practices and develop activities as long as they are consistent with any reasonable interpretation of these Ends and Management Parameters policies.
5. The Board may change its Ends and Management Parameters policies, thereby shifting the boundary between Board and CEO domains. By doing so, the Board changes the latitude of choice and authority given to the CEO. However, as long as any particular delegation is in place, the Board will respect and support decisions made by the CEO that are consistent with Board policy, as reasonably interpreted.

Policy 4.4 Monitoring CEO Performance

Date of adoption / Last revision: May 7, 2015

The Board will systematically and rigorously monitor CEO job performance, determining the extent to which Ends are being achieved and whether operational activities fall within boundaries established in Management Parameters policies.

Accordingly:

1. Monitoring is simply to determine the degree to which Board policies are being met. Information that does not address accomplishment of Ends and compliance with Management Parameters will not be considered in the Board's evaluation of CEO performance.
2. Ends and Management Parameters policies may be monitored by one or more of three methods:
 - A. Internal Reports: The CEO discloses in writing his/her policy interpretations, along with data supporting his/her assessment of accomplishment of, or compliance with, the policy under review. As appropriate in a given context, the CEO may present information supporting the "reasonableness" of his/her interpretation.
 - B. External Reports: An external, disinterested third party selected by and reporting to the Board assesses accomplishment of, or compliance with, Board policies, as reasonably interpreted by the CEO.
 - C. Direct Board Inspections: A designated Board member(s) or committee assesses CEO compliance with a given policy, as reasonably interpreted by the CEO.
3. In every case, the Board is committed to accepting any reasonable CEO interpretation of the Board policy being monitored. The Board is the judge of reasonableness, and will always use the "reasonable person" test (whether what the CEO did was what a reasonably prudent executive would do in that context), even if those choices differ from those the Board or any of its members may have made.
4. In every case, the Board will judge whether:
 - A. The CEO's interpretation is reasonable, and
 - B. Data demonstrate reasonable accomplishment of, or compliance with, the CEO's interpretation.
5. Interpretations determined by the Board not to be reasonable, or data determined not to demonstrate reasonable accomplishment of, or compliance with, a Board policy as interpreted, will be subject to a remedial process agreed to by the Board.
6. All policies instructing the CEO will be monitored at a frequency and by a method chosen by the Board. The Board may monitor any policy at any time by any method, but will ordinarily depend on the following routine schedule:
