Discussion Guide for Building Confidence in COVID-19 Vaccines

Conversations about the COVID-19 vaccines with your colleagues, patients, friends, family, and neighbors can take many different forms and happen in many different settings. Below you can see a proposed flow for how these conversations might go.

Updated January 2023

Americares is a health-focused relief and development organization that responds to people affected by poverty or disaster with life-changing health programs, medicine, medical supplies and emergency aid. Disclaimer: This project was funded in whole by a cooperative agreement with the Centers for Disease Control and Prevention grant number 5 NUSOCK000588-03-00. The Centers for Disease Control and Prevention is an agency within the Department of Health and Human Services (HHS). The contents of this resource center do not necessarily represent the policy of CDC or HHS and should not be considered an endorsement by the Federal Government.
